

PROUD AS THE SUN

Written by: Kimie Miner, Ku'ulani Muise, and Imua Garza

Intro: G D Am

VS: G C C G

Just as it sets

we will be there when it rises

as sure as it is

as high as it stands

out of the shadows

to our destiny

because we were raised to be

Chorus:

G D C 4x

Em D C

We are proud as the sun

we will catch fire

we will catch fire, fire,

we will catch fire

we will catch fire, fire

Proud as the sun

rays on the water

rays on the water, water

rays on the water, water

the light of a nation we are
proud as the sun

VS: G C C G

Our guiding star comes from the east
and we'll navigate
back home across the sea
oh the clouds may cover
let the rain wash away
let our warmth remain
'cause we are

**Chorus:
G D C 4x
Em D C**

We are proud as the sun
we will catch fire
we will catch fire, fire,
we will catch fire
we will catch fire, fire
Proud as the sun
rays on the water
rays on the water, water
rays on the water, water
the light of a nation we are
proud as the sun
